## About Us

Chasing 7 Dreams is a non-profit organization focusing on building networks of support and advocacy for children, teens, and adults with developmental disabilities. Our programs are built on the understanding that people with disabilities are vibrant, vital members of our families and communities. We offer programs that focus on social-educational activities for children as well as job readiness programs for adults.

## Our Mission

To increase the quality of life for individuals with developmental disabilities through advocacy, direct services, and by transforming communities.

## Social Skills/ Building Friendships

- We teach and foster social skills such as assertiveness, coping skills, communication, and relationship building. These skills provide our children/youth with the opportunity to interact appropriately when engaging with others.

*"Some of the most wonderful people are the ones who do not fit in the boxes"-Tori Amos*

## Our Commitment

- To help our participants in the community by meeting their needs and promoting their development.
- To help be our true self, be honest, empathetic and compassionate.
- To respect our differences and celebrate our individuality.

## & Purpose

- To inspire children and youth to be an agent of their own change by optimizing the quality of their life by valuing their own uniqueness.
